## What Do You Need To Do?

1

### Enroll

We will need your email address when you register at the hospital. Please make sure the email address we have is correct.

2

### Access

If you have received an email with your temporary username and password, you are already enrolled. Click on **SIGN IN** to get started!

Not sure? Click **ENROLL NOW** and enter the information to set up your account. If you get a message **ALREADY ENROLLED**, click on **Contact Us** to request help.

3

### Explore

Check your information for accuracy and use it to play an active role in your healthcare.

ONCE ENROLLED,  
YOU CAN ACCESS YOUR:

HEALTH INFORMATION

LAB RESULTS

VISIT HISTORY

HEALTH SUMMARY

ALLERGIES AND CONDITIONS

MEDICATIONS WITH INSTRUCTIONS

## Why You Should Enroll?

### Available at Your Convenience

The Health Portal makes time-consuming tasks simple, a few clicks, and you're done.

- Access health information online, versus over the phone or in person

### You Choose When and Where

Access to the Health Portal is on your schedule, whether at home, on vacation, or at another medical office.

- Use the online Health Portal from anywhere
- Access from your smartphone or tablet
- Manage information 24/7, without waiting

### Keep Your Family in the Loop

You can connect with your providers and keep your family informed at the same time.

- Give authorized family members access to your health information
